INFORMATION SUPERSPYWAY

MAD's enigmatic Spies recently made a guest appearance on the cover of the hot, cyber-rich computer counter-culture magazine Wired. Now we hear the Spies are negotiating for a cameo in the next Tom Clancy novell Fal Fal

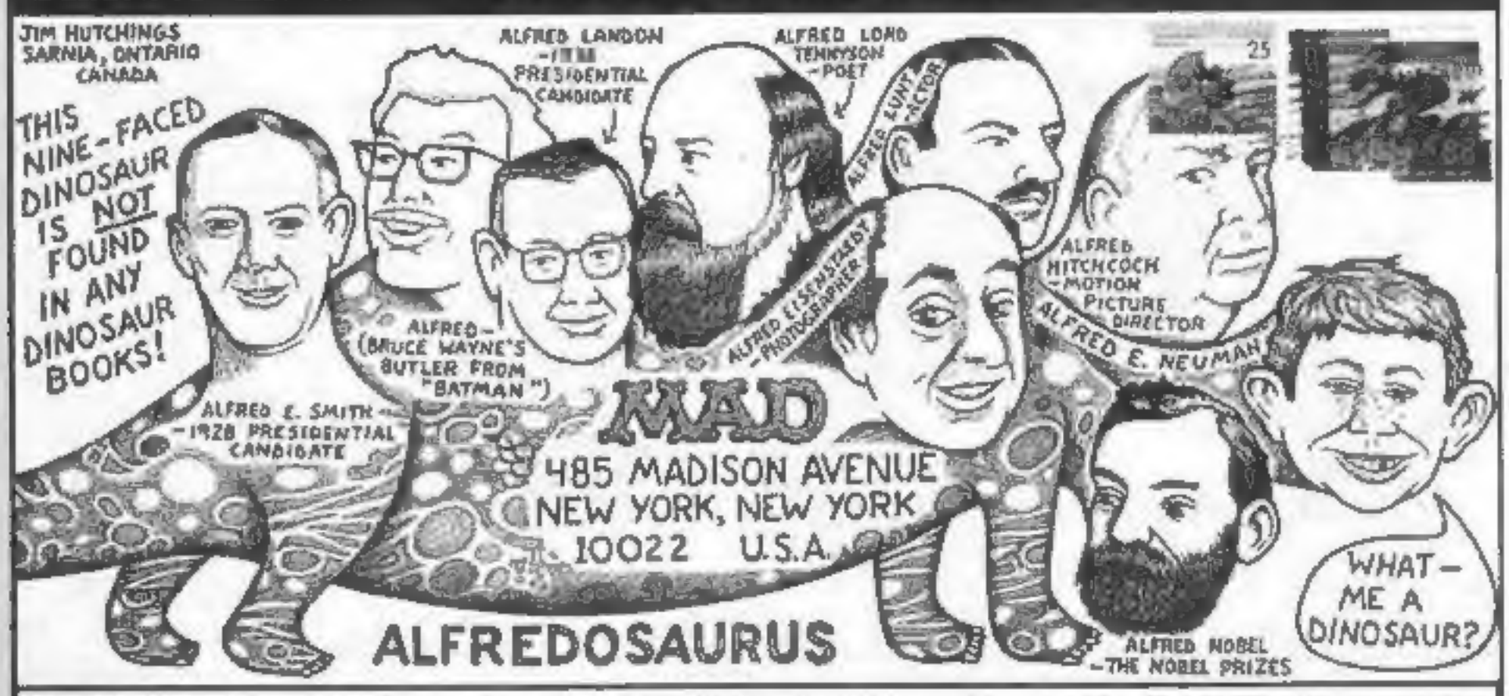
IT'S A GAS

After reading MAD #330, I was compelled to write about a mistake I felt couldn't go unrecognized. The last scene of "Al Jaffee Gets Gross" where the man is about to get decapitated but saves himself by breaking wind to put out the candle burning the rope holding the blade is totally false. It's a known fact that bodily gas is flammable, and if he did that, it would have caused a flame thrower effect making the rope snap, thus killing him. How could the Gross God, Al Jaffee, not have known this?

John P. Centera II
Wood Dale, IL

Al Jaffee got wind of your letter and was aghast, so he immediately retired to his comedy lab with a notebook, six cans of baked beans and a Zippo lighter to do some experimenting on his own! Get Well cards may be sent to Al courtesy of MAD. Whoever said "comedy isn't pretty" wasn't kidding! By the way, we received similar letters protesting our "happy ending" from Val Balagot, Darwin Teague, and, ironically, Michael Heinel —Ed.

ENVELOPE OF THE MONTH



Sarnia, Ontario resident Jim Hutchings' multi-headed illustration is this issue's envelope of the month and more...so much more. It's a history, biology and archeology lesson all rolled into one! Next time you're in class, show it to your teacher and see if you don't receive extra credit right on the spot!

MORON MAIL

I'm thinking of changing my name to Joe Jack Zippycrow. What do you think?

Chris Willie Williams
Troy, MI

Sorry, Chris, but you no can do! That name is already taken! Not many people know this, but oddly enough, Joe Jack Zippycrow is the real name of C-Span moderator Brian Lamb! He changed it after he discovered that everyone, even Newt Gingrich, was making fun of his name in the Congressional Cloakroom! By the way, we will send a free one-year subscription to the first person who sends us a photo of themselves reading MAD next to the C-Span School bus! We'll make it a five-year subscription if it's a photo of Brian (Joe Jack) Lamb reading MAD! —Ed.

READ THIS FIRST!

In MAD #228 we asked our readers to help solve the riddle, "What's the first thing you read in MAD?" Here are some of our weirder reader's responses:

The first thing I read is the title page to make sure I'm buying the right magazine.

Vivian Kamen, Brooklyn, NY

I read the address label to see if I'm still who I think I am.

Paul Wills, Brentwood, TN

The first thing I read? The "IND" in the MAD logo.

John Poitras, Northridge, CA

I personally dart my eyes to the "Our Price" to see just how "cheap" MAD still is!

Tony Severino, Haddonfield, NJ

The first thing I read is the page numbers to make sure they're all in order.

Peter Carlson, Seattle, WA

The first thing I read is the Moron Mail on the letters page because I like to keep in touch with my relatives.

Larissa Graves, Memphis, TN

I never read any further until I find the bunny on the cover.

Pat Buttles, Webster, NY

Likewise, we asked readers to suggest names for that strange bird that always pops up in our pages. So far, our three favorites and the people who suggested them are:

"Kafka" — Ryan Nave, Houston, TX
"Spazzy" — Christopher Hart, Memphis TN
"Flip, the Bird" — Krista Martin, Westerly, RI

Do you want to vote for one of the above choices or suggest a name of your own? Hey, we're not stopping you!

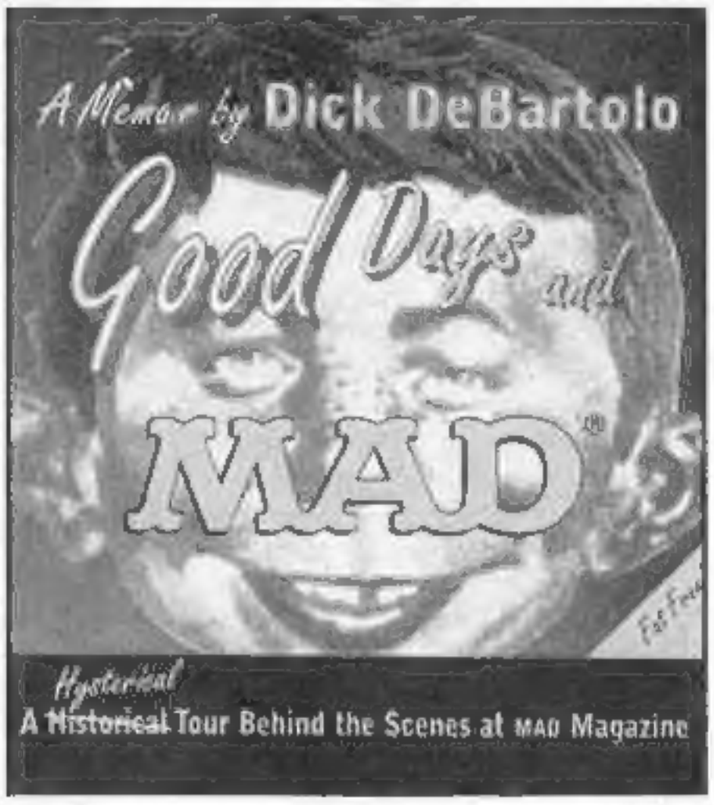
SEE DICK WRITE

I want to warn your readers about a new book just published by Thunder's Mouth Press called GOOD DAYS AND MAD. I don't know who wrote it, but everything in the book has been stolen from me! They used my pictures, my thoughts and even my experiences of thirty-plus years at MAD! Hopefully, someone can find out who's responsible so I can take legal action!

Dick DeBartolo
New York, NY



Longtime MAD writer Dick DeBartolo forgets that HE wrote Good Days and MAD! We hope the book is better than Dick's memory, so he remembers he's appearing at the Mid-Ohio Comicon at the Hyatt Regency Convention Center in Columbus on Nov. 26 and 27 where he'll be autographing copies of his book!

COURT IN THE ACT DEPT.

TV networks are in a awful bind! When they covered O.J. Simpson's preliminary trial hearings, they incurred the wrath of viewers who missed their favorite daytime shows! But by not pre-empting these shows, they would have incurred the wrath of viewers interested in long, boring legal proceedings! Luckily, with trial time here, MAD's devised a way to keep everyone happy! Simply broadcast all daytime shows live and creativity incorporate trial news directly into regular programming! Here's our plan for...

CAN WORK SIMPSON TRIAL THEIR REGULAR PROGRAMMING

POWER RANGERS

Goldar's closing in and he's got Kimberly trapped in the mine! We don't have time to get past him and save her!

It looks impossible, Zach. But the Detective testifying at the O.J. trial just said that O.J. could have made the trip from his mansion to Nicole's house, stabbed them to death, stashed the bloody clothes, and then made it home in time to take the limo to the airport!

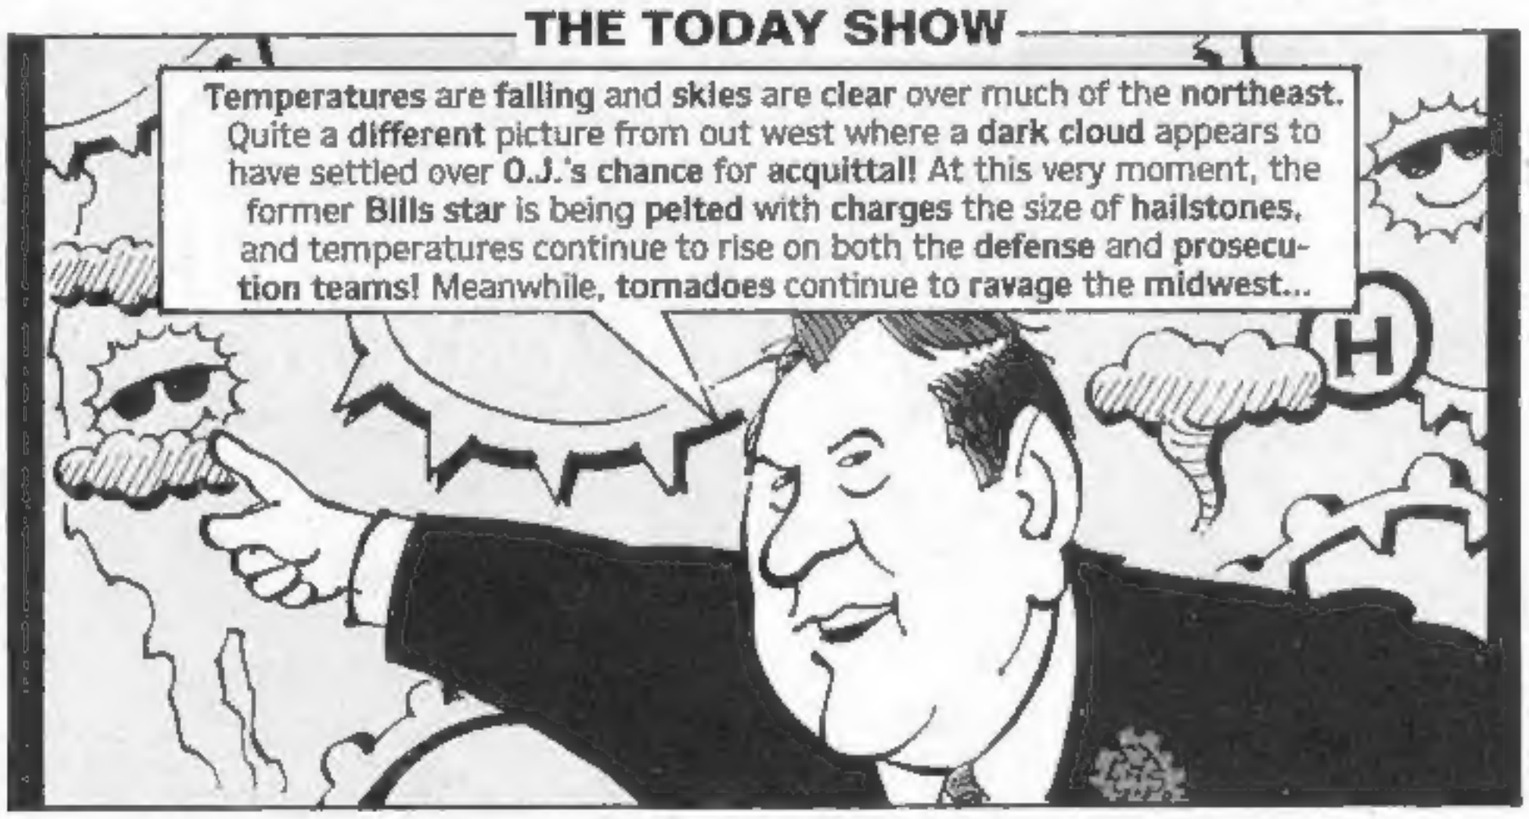
Hey Trini, if O.J. can do the impossible so can we!

THE FRUGAL GOURMET

Add a garnish of cinnamon chips and there you have a delightful appetizer - Tomato Surprise Witness, named in honor of a man who just took the witness stand at the O.J. Simpson trial and is testifying that he actually saw two OTHER people running from Nicole's Brentwood condo on the night of the murder!

THE TODAY SHOW

Temperatures are falling and skies are clear over much of the northeast. Quite a different picture from out west where a dark cloud appears to have settled over O.J.'s chance for acquittal! At this very moment, the former Bills star is being pelted with charges the size of hailstones, and temperatures continue to rise on both the defense and prosecution teams! Meanwhile, tornadoes continue to ravage the midwest...



THE BOLD AND THE BEAUTIFUL

You can't marry James!

I love him!

Ha! O.J.'s daughter testified just minutes ago that her father still loved Nicole! She wasn't credible either!

Are you calling me a liar?

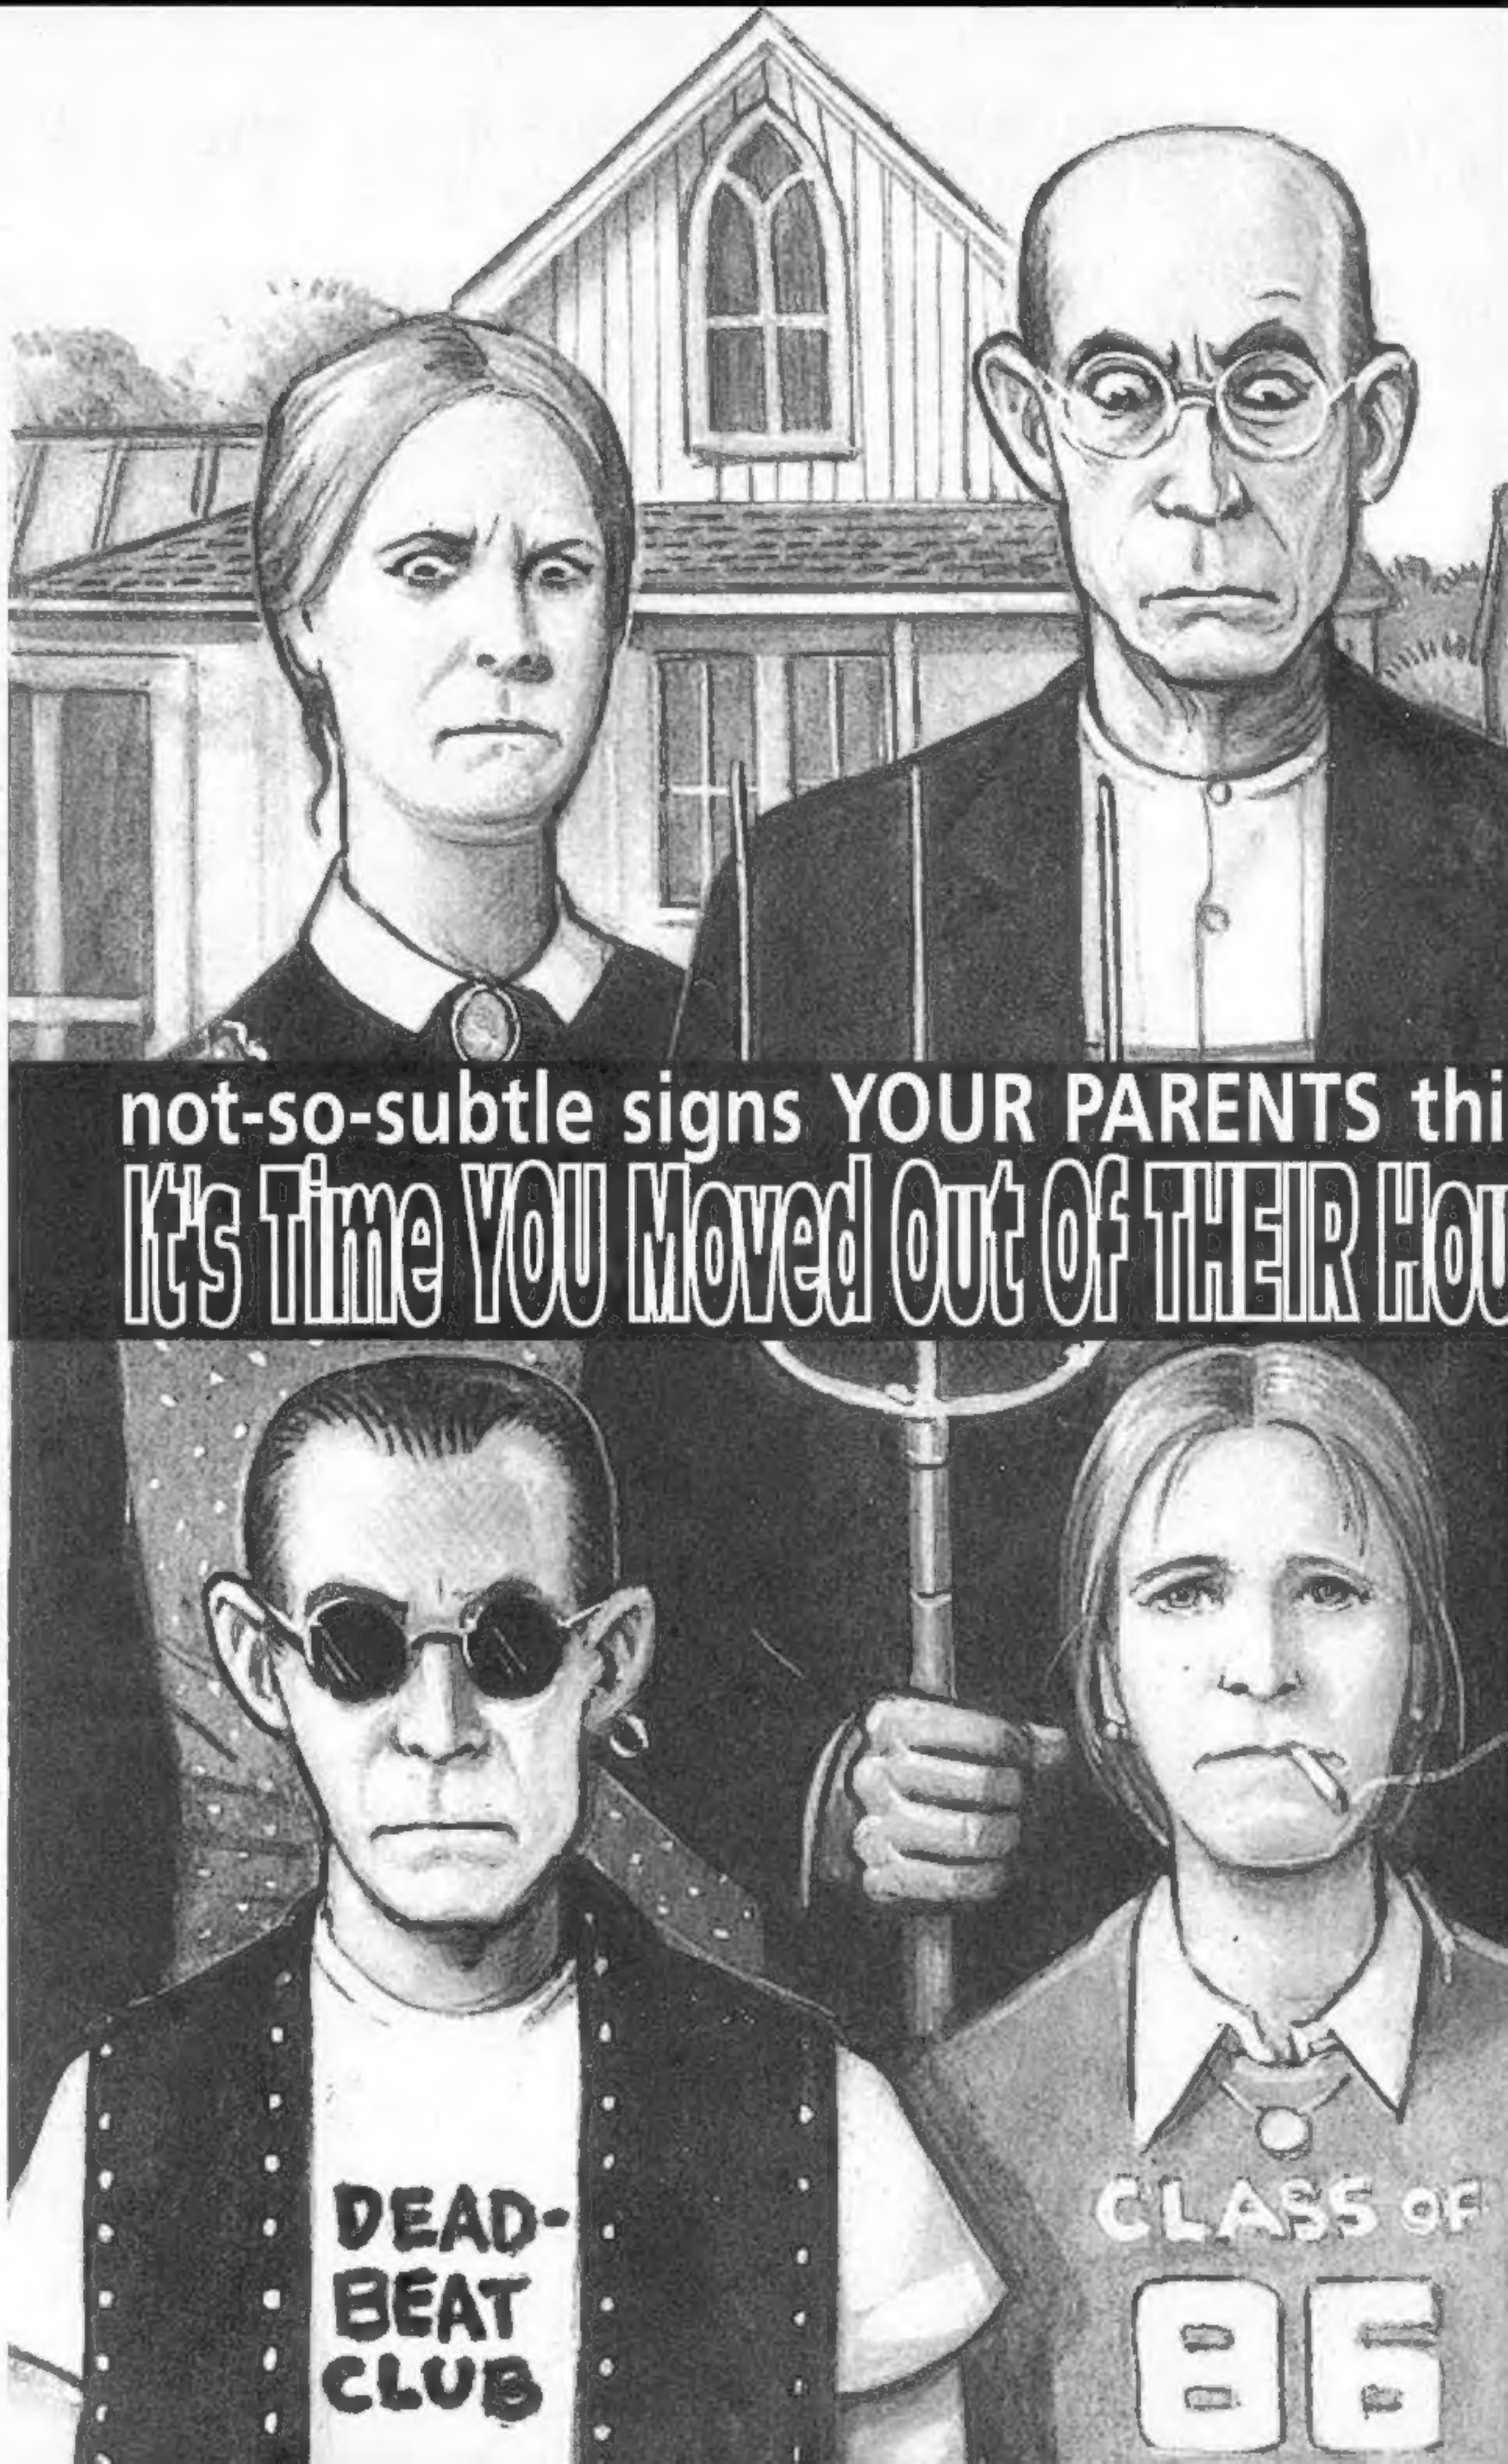
I'm saying you're making a mistake! And that's what Marsha Clark's cross examination is showing today! O.J.'s daughter doesn't know what she's talking about! So why deny you love me?

Yes! I do love you!

I rest my case! Kiss me, darling!

EVICTION NOTICED DEPT.

Sure, parents are suposed to provide their pathetic offspring with food and shelter— but for how long? 18 years? 21 years? 25 years? What, you've moved out and now moved back in? Why you lazy, ignorant, good for nothing deadbeat of an ungrateful, insignificant, absolutely useless waste of DNA! Can't you take a hint? Haven't you noticed any of these...



When you ask your dad to lend you $50 he gives it to you in travelers' checks!

All over the house you keep finding pamphlets entitled "Religious Cults–They're Free, They're Fun, They're For You!"

Your bed is donated to the Salvation Army–while you're sleeping in it!

Your mom does a needlepoint wall-hanging which reads "Life Begins At The Moment Your Last Blood-Sucking, Unemployed Loser Of A Kid Moves Out!"

Although it's not Thanksgiving and you're over 21, you still have to eat your meals at the "little table"!

The Club is installed on the refrigerator door!

You wake up one morning to find in your bed the head oif your old hobbyhorse!

When your friends call, your dad puts them on hold and then leaves for work!

Every time your mom serves alphabet soup the words "go away" are floating in your bowl!

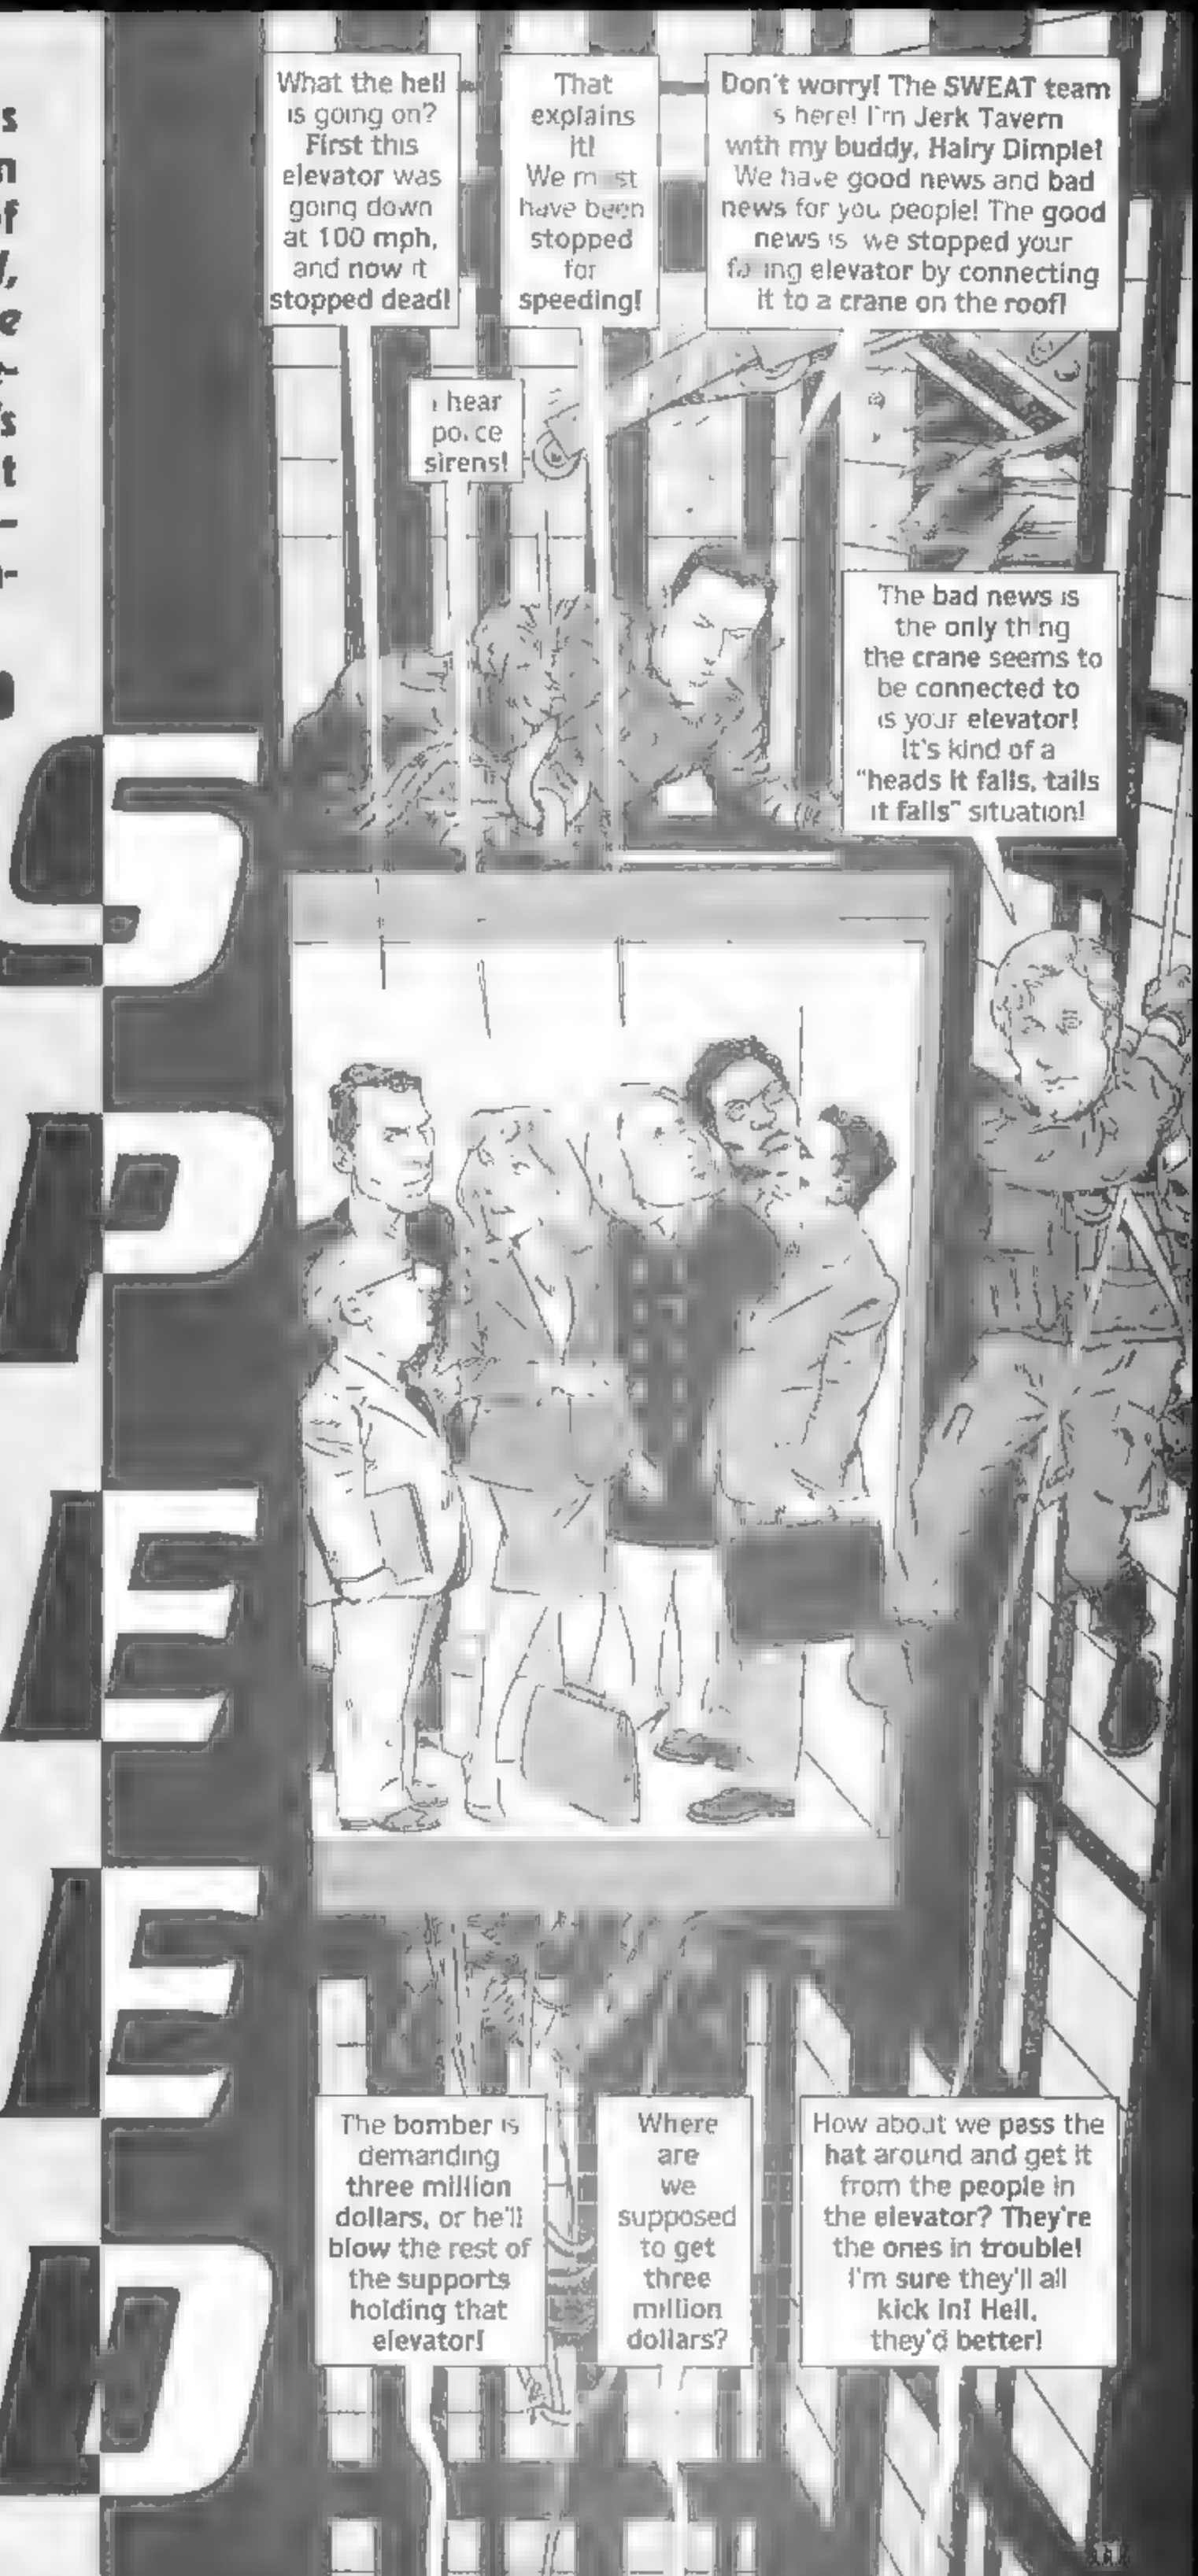
THE BUS FLOPS HERE DEPT.

Every summer Hollywood churns out some super-exciting hot action flick that keeps you on the edge of your seat! Movies like *Die Hard, Lethal Weapon* and *The Fugitive* gave audiences the thrill of a lifetime! So where was *this* summer's blockbuster? Well, it starred that swashbuckling king of adventure—ahem—Keanu Reeves! It's no wonder that we found this film was. . .

NOT QUITE UP TO SPEED

My God, man, what's the matter with you? I ask to see a work order, and you stab me!
That's what my work order says! "Kill nosy guard!" I just follow orders! Especially the ones I write myself!



What the hell is going on? First this elevator was going down at 100 mph, and now it stopped dead!
That explains it! We must have been stopped for speeding!
Don't worry! The SWEAT team is here! I'm Jerk Tavern with my buddy, Hairy Dimple! We have good news and bad news for you people! The good news is we stopped your falling elevator by connecting it to a crane on the roof!
I hear police sirens!
The bad news is the only thing the crane seems to be connected to is your elevator! It's kind of a "heads it falls, tails it falls" situation!
The bomber is demanding three million dollars, or he'll blow the rest of the supports holding that elevator!
Where are we supposed to get three million dollars?
How about we pass the hat around and get it from the people in the elevator? They're the ones in trouble! I'm sure they'll all kick in! Hell, they'd better!

ARTIST: ANGELO TORRES WRITER: DICK DEBARTOLO

Don't panic! This elevator can only fall another 28 stories and crash into the basement! But I have it securely wedged here with the wad of gum I chew endlessly to establish my "cool" image!

Give me your hand and I'll pull you out!

No, wait a minute! This is the 28th floor. I wanted to get off at 23!

I want three million dollars! The city owes it to me as retirement for all my years of service!

We're trying to get it together now!

And I also want free hospitalization!!

You're nuts! The three million's easy! But hospitalization for someone your age? And your dangerous occupation? Forget it!

Jerk. I'm holding your partner hostage! What do you do?

I remember! Shoot the hostage!

Very good! And why do you shoot the hostage?

So later when I file my police report, I can say anything I want, and there'll be one less witness!

Jerk, you did shoot me! Why did you do that?

Because I knew you wouldn't shoot back!

I'm getting out of here! I may be mad, but you two are suicidal!

I can't believe you could do that!

You mean blow up a bus by remote control?

No, blow up a bus so it coasts three blocks in flames, doesn't hit anything, and stops next to a pay phone that you have the number for!

The blowing up and coasting was the easy part! Finding a working pay phone was the difficult thing!

I've rigged a city bus with a bomb! Once it hits 50 mph, it's armed! If it goes below 50 mph, the bus blows up!

Then there's nothing to worry about! With L.A. traffic, no one goes over 20 mph!

There are certain rules, Jerk! No one gets off the bus! The money must be in small unmarked bills! And most important, I get to approve any sound bites the police leak to Hard Copy!

I think that guy wants to get on the bus!

With all he's going through I hope he has exact fare, or he ain't getting on my bus!

Boy, is Jerk stupid! Instead of trying to get on, he should just shoot the tires, and it would never reach 50 miles per hour to arm the bomb! But then how smart could he be thinking a bus driver would stop and open the door for him anyway!

ISHTAR

THE BOMB

Listen, I'm a cop, but I'm not after you! Whatever you did, I'm sure you're sorry, so you're forgiven!

Does that go for everybody? Because I embezzled a few hundred thousand dollars from my company!

I haven't done anything wrong yet, but I'd like to take a rain check on a jewelry heist!

I've been cheating on my -

Hey, wait your turn! I'm next in the confession line!

I'm sorry! That guy's gun went off accidentally! I can't believe you got shot!

Don't worry about it! Drivers get shot every day on this route!

I've heard of drive BY shootings before, but this is my first drive ON shooting!

HOW TO OPERATE A CITY BUS

You'll have to drive the bus! But don't go under 50 mph!

I wish you cops would make up your mind! I just had my license revoked for going over 50 mph on this same road! Figure the logic here - it's not okay for a car to go over 50 mph, but it's okay for a bus filled with commuters! Only in L.A.!

Dimple, any idea of how to disarm the bomb?

I need to know more about it! Look under the bus and tell me what you see!

It looks like the road and it's really whizzing by!

Look at the bomb and tell me what you see, idiot!

HEY, JERK... THIS BOMB'S FOR YOU.

THE BUCKS STOPS HERE

Oh my God! I hit a baby carriage! I killed a baby!

Relax! The baby carriage was full of old cans!

Boy, am I lucky!

Of course the flying cans injured and hideously maimed quite a few people, but we're going too fast for anyone to get our license plate number, so don't worry about it!

Look at that bus! It leaped right over the missing 50 feet of highway!

Great! Let's go home, our work is finished! If a big bus can jump it, it should be easy for cars to jump it!

This could be the answer to the shortage of funds to complete the roads! Leave out every other 50 feet!

Good idea! Besides, those 50-foot gaps leave plenty of room for expansion during earthquakes!

How many times are they going to show that O.J. Simpson car chase? I'm sick of seeing it!

Dimple, **Pain** is **watching** us via a **hidden TV camera!**

We **know**, but we found the **frequency** he's **watching** on, and we're **running** a **video tape loop** of the **bus** we **shot earlier! Now** you can **do** what you **want**, and he **won't see** it!

How come you can do all **that** and not **trace** the **location** of his **phone?**

Trace his **call? Damn!** Why didn't you **mention** that **earlier?**

I **know L.A.** is trying to **speed** up their **bus service**, but you'd think the **buses** would **stop** when a person wants to make a **transfer!**

That's **nothing! Look** at the **guy** they're rolling **under** the **bus** on a **mechanic's dolly** at **50 mph!** They don't even **stop** when they do **inspections!**

Jerk, we **located** where **Pain lives! I'm flying** over his **house** right **now!**

That's great news!

FARE IS FAIR

Not really! I'm **not** in a **police helicopter! I've** been **blown up here! You're** on your **own, buddy**, 'cause **I don't** have a **parachute!**

Boy, **L.A.** is a **weird** town! That **garbage truck** is going around putting **trash** in the **cans!**

NO WAY

NO BRONCO PARKING ON THIS BLOCK

SANI DEPA

Wow! A **big hole** in the **street** and another **big hole** in the **plot!** Pain said it took him **two years** to **rig** that **elevator** job, and now in **two days** he rigged **two buses** with **bombs**, **one** with a **video camera** and **dug** a **hole under** a **sanitation basket** in a **busy** street— all with **no one** noticing **anything strange** going on! Talk about **learning** from your **mistakes!** He's the **master!**

Jerk, Pain's got me tied up with leather straps and wired with dynamite!

So he's not only mad, he's also kinky!

ZZZ

Here's a summons!

What for?

For going through a red light!

What red l-i-i-i-i -i. . .

POOF!

Jerk, you saved my life, but I feel bad for all those innocent bystanders we killed along the way! Especially the ones on that jumbo jet blown up by our runaway bus!

Hey, I want to make out with you, not innocent bystanders! Don't give them another thought!

We finally caught you! You're the lady that was driving that city bus!

We have something for you!

Not another ticket! I was just following police orders when I drove that bus!

Calm down, lady! You've been voted "L.A.'s Safest Driver of the Month!"

HONESTY

ARTIST AND WRITER: SEAN EISENPORTH

And over here we have a deteriorating 1981 Alfonzo. This particular model is known for its tendency to explode upon rear impact! And front impact! And side impact too! It also explodes if you close the door too hard! Frankly, it makes me nervous just having it on the lot!
That's okay. We're a couple of gullible, young idiots who still cling to the belief that you can get something for nothing!
$250

Okay, let's **cut** the **crap!** You **don't** really **want** to **learn** and I **don't** really **want** to **teach!** So for the next **45 minutes** just **talk quietly** amongst **yourselves!**

..and **another** thing, you make me **sick** the way you **drag** your **lethargic ass** behind that counter! I know that my **dehumanizing scorn** is in fact a **manifestation** of my **own** deeply rooted **self-loathing.** I should **learn** to **confront** my own **failings,** but find it much **easier** to just **bitch** at **you** instead!

I'm gonna **slash** the **tires** of your **convertible,** ma'am!

But **Mrs. Stinkpot! Steven** beat the **crap** out of me for **no reason!** Aren't **you** gonna **do something?**

Nope. The **rules don't apply** to **Steven** because he comes from a very **affluent** family. Now **stop bleeding** all over the **office!**

THE LION'S KIN

Behold, here is Simpa! Your future king!

all the animals ... gathered ... Mufossul ... beautiful sight?

A jungle buffet always is, ZsaZsa! Over there is my breakfast, over here is my lunch and I'm saving these loyal gazelles in front for my dinner!

Are we supposed to be happy about being eaten by another generation?

Oh, he is a doll?

Yeah, he's a doll all right! He's also a lunch box, a tee-shirt, a Burger King give-away toy, a trading card and probably a Disneyland theme park ride! He's not a lion, he's a cash cow!

ARTIST: SAM VIVIANO WRITER: STAN HART

Isn't that **nice?** They're christening the **little cub!**

Look how he **hates** it!

He's **lucky** he isn't **Jewish! Imagine** how much he'd **hate** being **circumcised!**

Mirror, mirror on the **wall,** who's the **fairest** one of **all?** And I **don't care** if it's the **wrong Disney movie! Someday** I will be **ruler** of this **land!**

One day **you** will be **king!**

When will **that** be?

When I die!

It makes me so **sad! I don't** want to **think** about it!

About my **dying?**

No! About what **good health** you're in and how **long I'll** have to **wait!**

Oh, **I see** what this **movie's about!** It's **about** the **difficulty** and **pain** of **leaving childhood** and **growing up!**

What's so **hard** about **growing up?**

Try it sometime **Homer,** then you'll **know!**

Mufossil, I know why you **don't like me!**

And **why** is that, **Scab?**

Because I'm **different** than **you!**

That's the **nicest** thing you **ever said** to **me!**

How come **Scab** has one of those **funny English accents?**

Who **knows? Why** does **Graffiti** have a **Jamaican** accent and **Simpa** sound like a **kid** from **Iowa?**

I am the **ruler** of **all** you **see! When I die,** it will **all** be **yours! You** must think **carefully** about **what** you will **do with it!**

If the kid's **smart,** he'll **subdivide!** He could have **300 condos** and a **K-Mart shopping mall** up there in **six months!**

What **is** that **land** over **there?**

That's the **Shadowland! No** one **ever** goes **there!**

Who **knows** what **evil lurks** in the **hearts** of **men?**

Judging by the **number** of **people** going to see your **movie Alec, nobody cares!**

Hey **man**, what you **doin'** here in our **secret hideout?**

I **promise not** to **tell anybody** about it!

I'm **sure** you won't, **'cause dead men tell no tales!** Say **bye-bye** to the **world!**

I've **heard** that **hyena's voice** before!

Hmmm...I think it's **Whoopi Goldberg! wonder** why she has such a **minor** role as a **hyena voice!**

After she **bombed** so **badly** in ***Made In America*** and ***Sister Act II,*** **Disney** decided that with **Whoopi,** it's better to be **heard** and not **seen!**

When I was your **age,** my **father told me** that the **stars** are the **great lion kings** of the **past** that are **looking down on us!** When I was **older** I **realized** that he **didn't** know what the **hell** he was **talking** about! But he had a **deep voice** like **mine** and he could **get away** with **crap** like **that!**

I win, Simpa!

But **Nada, I'm supposed** to be **on top!**

That's for when we **make up!** Right **now,** we're **wrestling!**

Why are they **stampeding?**

Your **Uncle Scab** started a **rumor** that the **schmuck** from ***Wild Kingdom*** was **seen** with his **stupid tags** and **tranquilizer dart guns!**

You're going to **die even** if I have to **ruin** my last **manicure!**

Isn't **this** a bit too **brutal** for little **children** to **watch?**

Get **real,** mom! **Compared** to the **TV shows** they **watch** with all the **details** about **O.J.'s murder trial,** this is a **bedtime story!**

ZZZ

...that's what I call a politically correct funeral!

I feel so guilty for causing my father's death! I'm such a bad person! I don't deserve to live! No one can find me!

I feel like my life's a big daydream!

Yes! Yes!

It seems a lot more to your liking, if I change places and roll down! You're putting me to sleep!

Aw!

And a prince who feels guilty about his father's murder! This movie's a jungle version of Shakespeare's *Hamlet*! How uplifting!

That's why "Adult Ed" is just really about titillating the audience with killing and maiming! Kids like Bambi at 3:00 or the 6 O'clock News!

Kill him and I will be the supreme ruler of the land!

Do you think he'd make a good king?

With the way he minces around the jungle, I think he'd make a better queen!

Simpa, you are now grown! You are so, good-bye to childhood! You see a through a prince can indulge in foolishness, a king can't afford!

You'll see when all princes grow up they act with dignity and maturity and the people are proud of the...

No! All! The exception Prince Charles! England still has and hopes, for now that puts to be forty years old!

Simba's not going to make a very impressive king! He can't even out-wrestle a girl!

Why, isn't that sweet?

I wish I was a lion! Every time I kiss a girl all I hear is No tongue! No tongue!

Simpa, you must **return** home to your **own kind** and **become** their **king!**

I **submit** to your **will!**

Are you **obeying** because that's the **voice** of your **father?**

No! It belongs to **someone** far **more powerful... Darth Vader!**

In my **kingdom** we have a **rule** we a **live** by!

Yeah! "Don't **ask,** don t **tell"!**

Not **that** one, you **fool!** The one that says my **word** is **law!** Now get **out!** I'm busy **redecorating** my **breakfast nook** in **pastels!**

ve **come** to take **back** my **kingdom!**

What **makes** you so **brave?**

It's in my **blood!** My **father** was **brave** and his **father before** him was **brave!**

Nonsense! Your **grand-father** was **anything** b .t! **Look...**

Bitch! You re **mussing** my **hair!**

This is the **end** of an **evil** ruler! From **this** time forth, let **no one** speak **well** of **him!**

Why would **anyone** speak **well** of **him?**

Because a lot of times **after** a **villain dies** others **forget** how **rotten** he **really** was! Just **look** at all the **nice things** they **said** about **Richard Nixon** when he **died!**

I m not only **king** of the **African jungle,** but with the **box office dollars** I've brought in, I'm **also king** of the **Hollywood jungle!**

Up There in His Mansion

(sung to the tune of "Away in a Manger")

Up there in his mansion does Farrakhan dwell;
The Nation of Islam has served him quite well;
He lives in great splendor; he's never unkempt;
Because he's a preacher, it's all tax-exempt.

The floors are of marble, the windows stained glass;
There's nary a touch that is not upper-class;
The grounds are impressive wherever you gaze --
Which all serves to prove how well bigotry pays.

O Mighty Louis Farrakhan

(sung to the tune of "O Little Town of Bethlehem")

O mightly Louis Farrakhan,
You've made the network news;
You've stirred up blacks with fresh attacks
Against -- who else? -- the Jews;
But now we're cel-e-brat-ing
The season of No-el;
We're glad to hear you've made it clear
You hate the Pope as well.

God Help Us, Louis Farrakhan

(sung to the tune of "God Rest Ye, Merry Gentlemen")

God help us, Louis Farrakhan,
You're really not much fun;
The chances that you'll go away
We'd say are slim and none.
And yet despite your words of fright
That make most people cringe,
Let's give thanks...that you're on-ly on the fringe –
Lunatic fringe --
Let's give thanks that you are only on the fringe.

O Farrakhan! Yo Farrakhan!

(sung to the tune of "O Christmas Tree! Fair Christmas Tree")

O Farrakhan! Yo, Farrakhan!
On telecasts you show..up;
With Farrakhan, great Farrakhan,
The ratings always go..up;
Ar-sen-i-o you snowed the most;
He kissed your butt from coast to coast,
O Farrakhan! Hey, Farrakhan!
Excuse us while we throw...up.

This is a terrible report card! I'm taking away your allowance!
I don't think that's a very good idea!
Why not?
Because I passed Economics!
So what? You failed everything else!
Yes, but Economic history has taught me that monetary sanctions do not work!

Fairest Shlump

That's my name! **Fairest Shlump!** Wanna **choc-o-late?** My **Momma** always said "**Life** is **like** a **box** of **choc-o-lates!** It's **got marsh-mallows** and **nuts!**" Some people say I'm like one of the **nuts,** but **others** stick up for **me** and say **my mind** is more like a **marshmallow!** And that I have a **bad southern accent,** like I'm from **Philadelphia!** What's so **bad** about **that?** It could **earn me** another **Oscar!** And that I **don't stop talking!** Like **now** for instance! **This** may be a **record** for the **longest dialogue balloon** in a **MAD satire!** But I do have **good posture!** The best in Alabama! One year I **won** the **State Posture Championship!** Maybe you saw the **newsreel** of President Roosevelt giving me the **trophy,** even though he **died** before I was **born!** Or **maybe** that was **Woody Allen** giving a **special effects trophy** to *Zelig!* I forget! Anyway, my **momma** always **said** that **posture** is like **oatmeal...**

That boy is kinda different!

That's like saying Arnold Schwarzenegger is kinda husky!

They say he has an IQ of 75!

In some parts of Alabama, that's Mensa level!

I'm very concerned about Fairest Shlump!

Why? He's simple, but harmless! He's a lovable innocent!

I guess I worry about any man who takes his fashion lead from Ed Grimley!

I feel like telling a perfect stranger the story of my life! Would you like to hear it?

Young man you are a complete idiot!

Gee, that's exactly what they said when I was born! That was way back in 1945...

BUS STOP

CHOCOLATES

Your boy has an IQ of 75!

And what does that mean?

When he grows up he can be a vagrant or a talk show host! Mrs. Shlump, I'm afraid we may have to expel Fairest from this school!

Perhaps we can work something out!

HELLO DOGGIE

You've worked it out, Mrs. Shlump! Your boy graduates with honors!

And in only three minutes!

HUH HU

HUH-UH-UH-UH-OOOOWOW!

We had all sorts of guests at the boarding house! Many of them conveniently famous!

Kid, show me that crazy walk and that swinging thing you do with your hips!

I will! But first would you like another wedge of pie?

Kid, if I ever get fat I'll know who to blame!

This seat is taken!

You can't sit here, oaf!

You can sit here!

Thank you! You're nice!

Don't thank me! There's a wad of gum on that seat, creep!

Run, Fairest! Run!

It's a miracle! I've broken my shackles and become the fastest runner in the state of Alabama!

And this is just the beginning!

Of a life of unbelievable achievement?

Of a life of unbelievable special effects!

He doesn't know what he's doing, but he's incredible!

Look! He's running out the exit!

Why?

I think he's returning the pigskin to the hog!

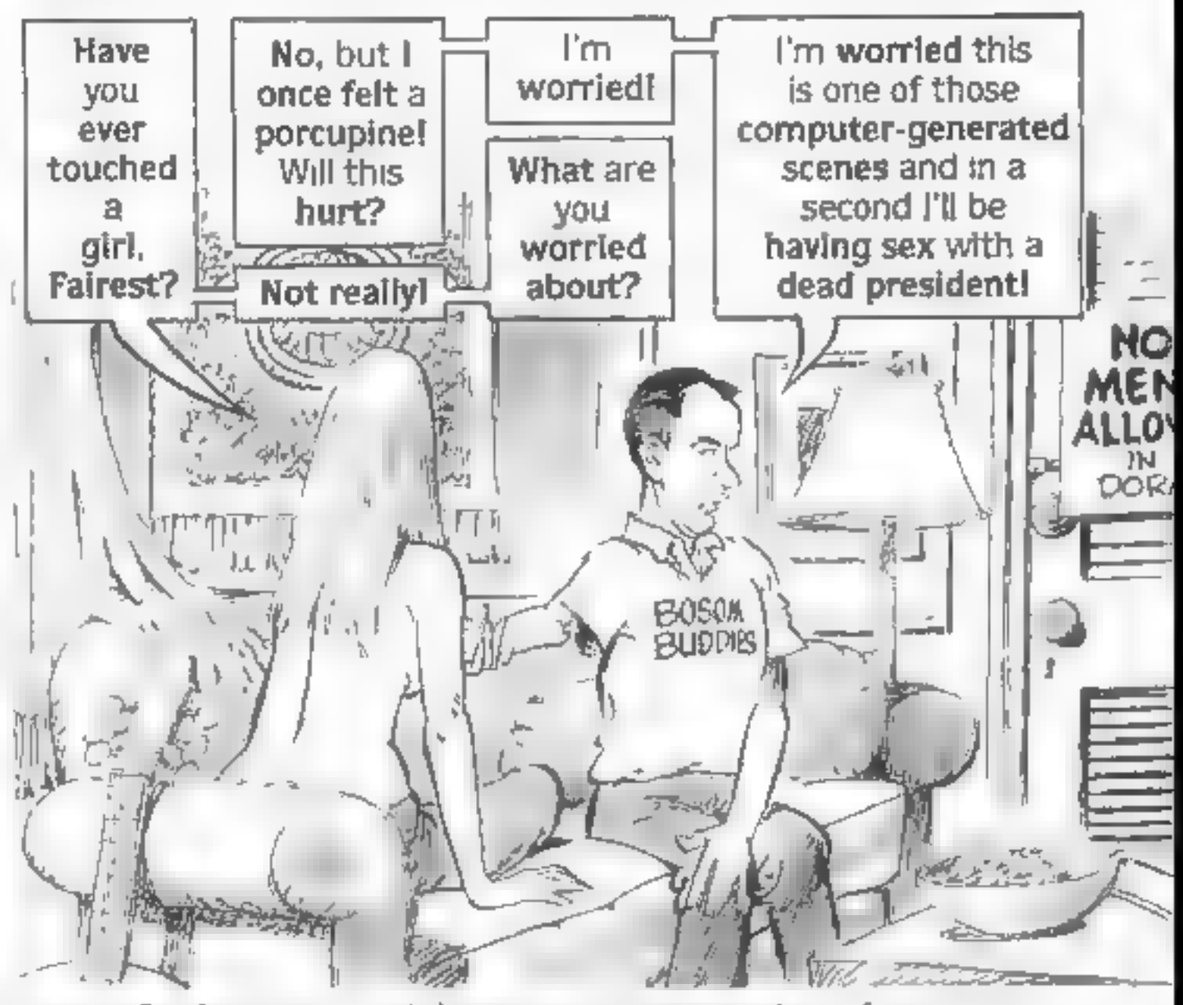
Shlump was just voted All-American!

What position? Halfback?

Close— Half-wit!

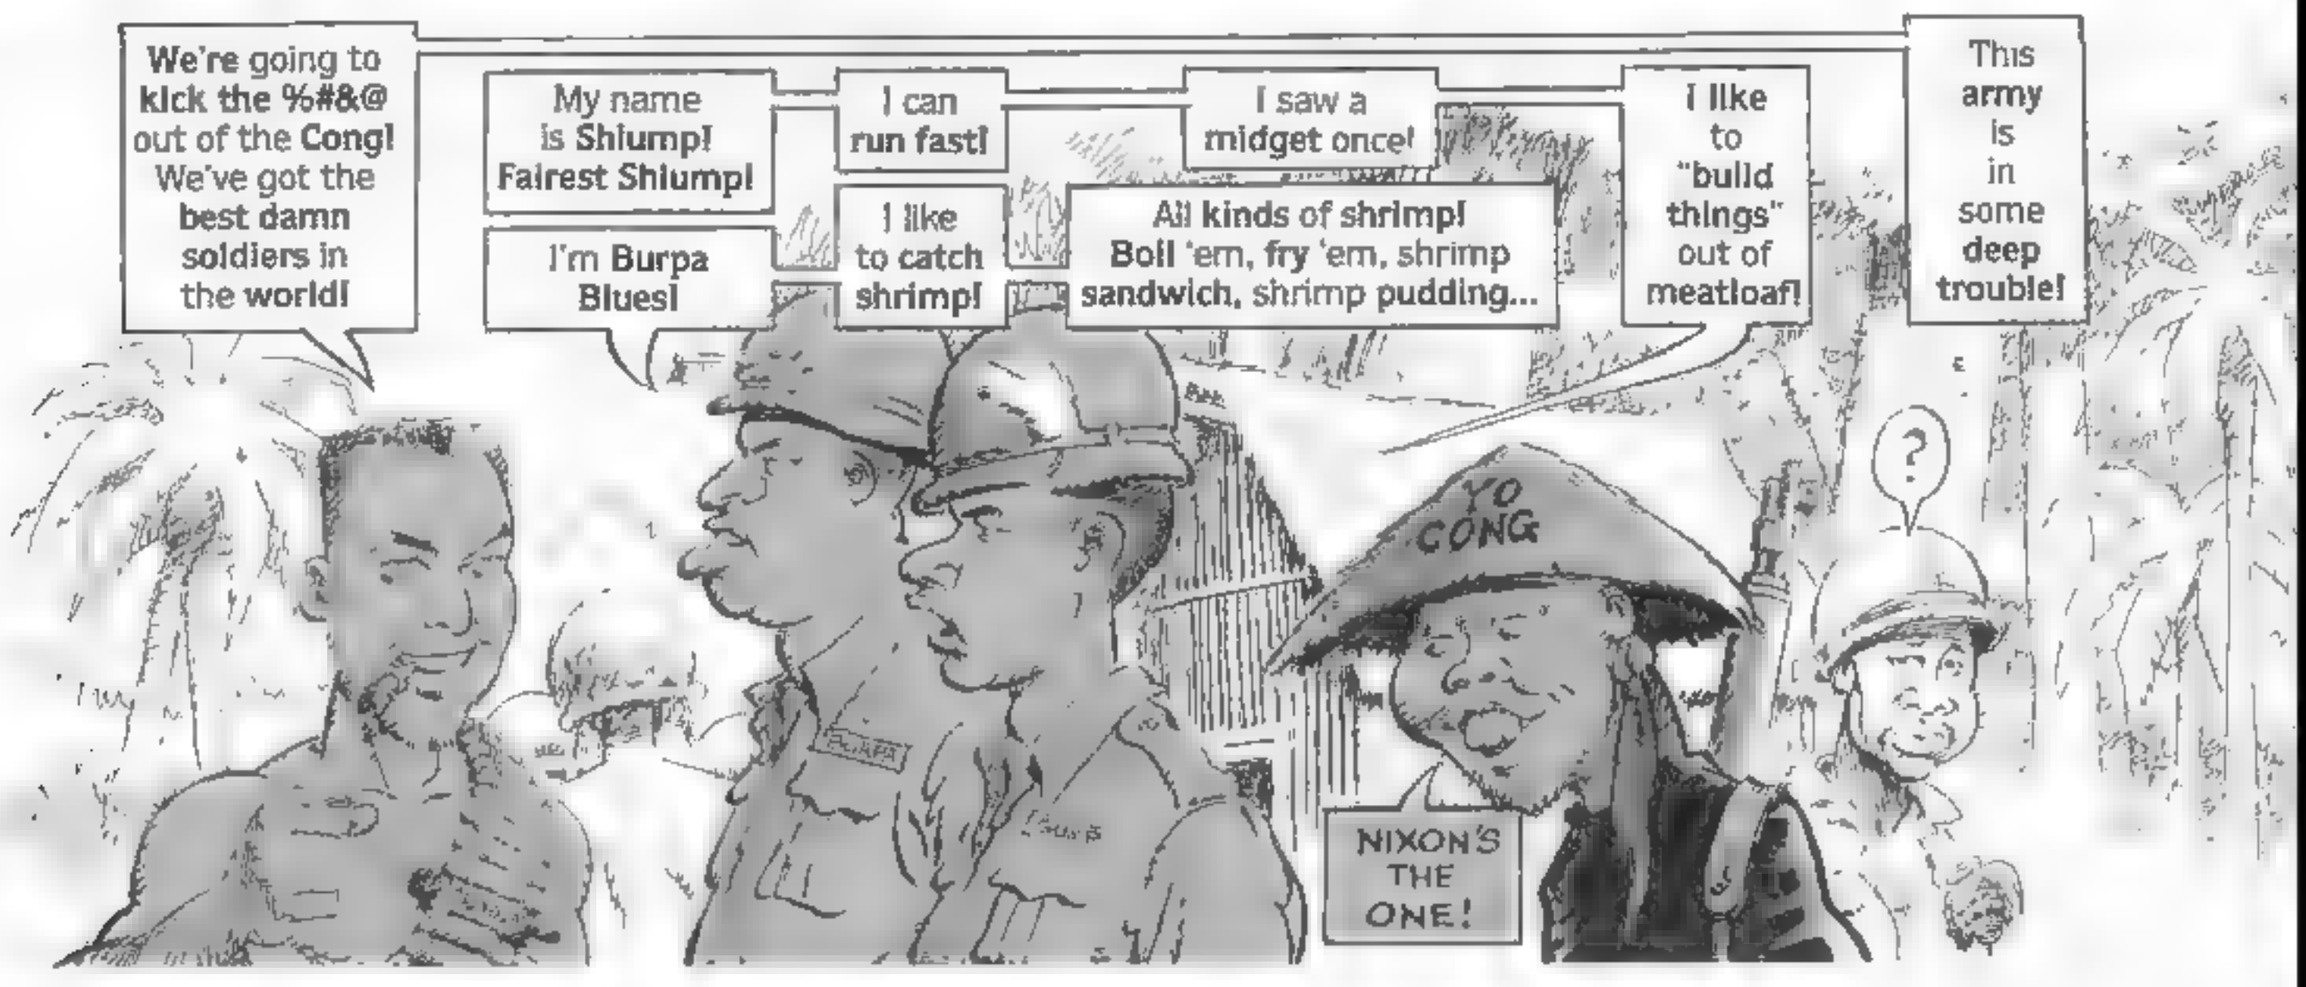
When Junkie grew up I visited her in college! She gave me something even better than a bus seat!

What is goin' on over here?
Governor Wallace isn't letting Negroes into college! He says they'll bring down the standards of the school!
Who is he letting in?
White simpletons with sub-standard IQs like you and me!



Have you ever touched a girl, Fairest?
No, but I once felt a porcupine! Will this hurt?
Not really!
I'm worried!
What are you worried about?
I'm worried this is one of those computer-generated scenes and in a second I'll be having sex with a dead president!
BOSOM BUDDIES

Momma always said, "Life is like a roll of toilet paper— the closer you get to the end, the faster it goes!"



We're going to kick the %#&@ out of the Cong! We've got the best damn soldiers in the world!
My name is Shlump! Fairest Shlump!
I'm Burpa Blues!
I can run fast!
I like to catch shrimp!
I saw a midget once!
All kinds of shrimp! Boil 'em, fry 'em, shrimp sandwich, shrimp pudding...
I like to "build things" out of meatloaf!
This army is in some deep trouble!
YO CONG
NIXON'S THE ONE!

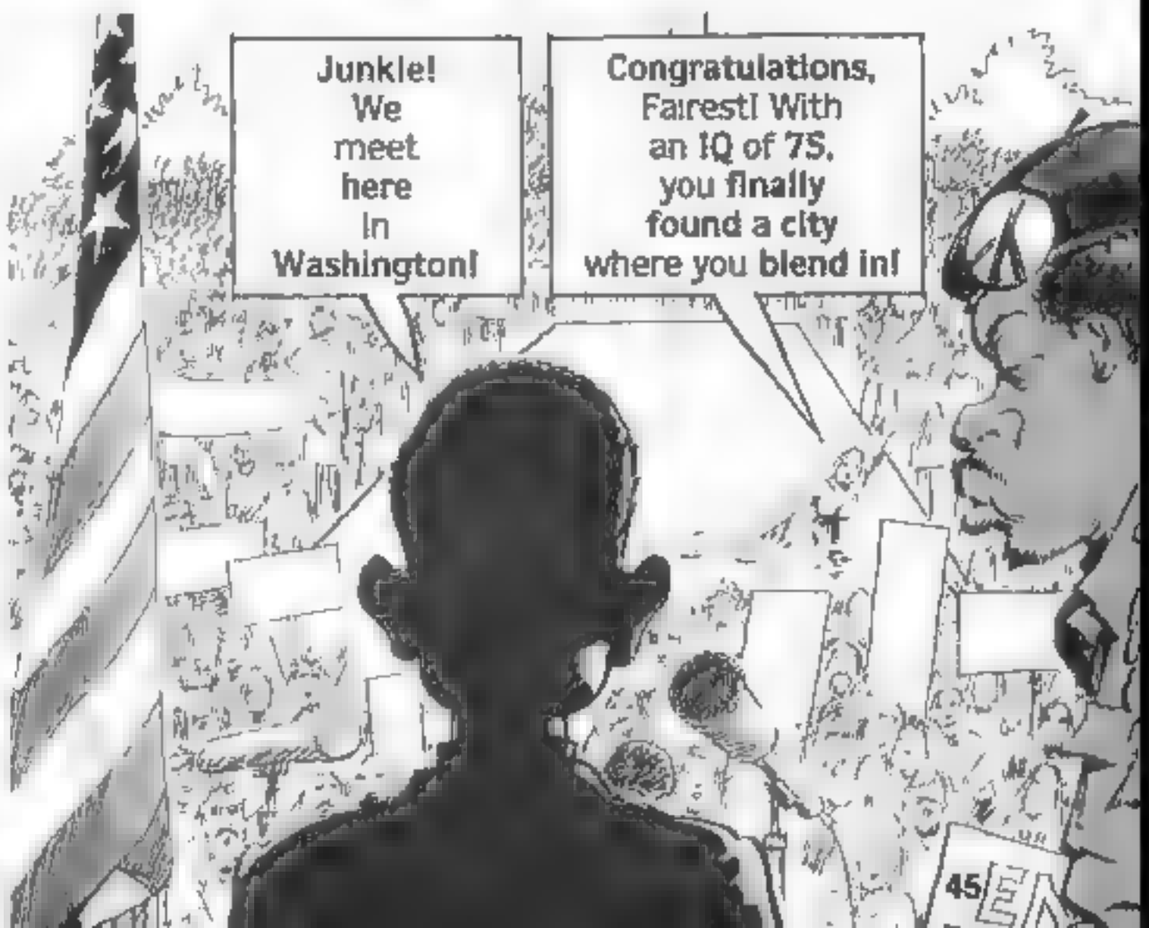
Junkie, stop it! Stop this topless folk singing!
Fairest, get off the stage!
Why? I'm protecting your honor!
The audience came to see boobs and you're not exactly the kind they had in mind!



Fairest Shlump, meet John Lennon!

What a country! Everybody's famous for 15 minutes! We'll never hear from this guy again!

He's a war hero and a ping pong champ!

I'm talking about Dick Cavett!

CLAP HANDS

THE DICK CAVETT SHOW ABC

I'm back in your life, Shlump! I'm bitter and I'm horny! Grab a girl!

This is gonna be a strange New Year's! Have you ever touched a woman?

It was a long, long time ago!

How long?

The first third of this movie!

Man, that WAS a long time ago!

HAPPY NEW YEAR

Mormma always said "Life is like a sneaker— after you've been in it a while, you find it stinks!

Lt. Dang, since you've joined me in the shrimp business, we've become millionaires!

It's you, Shlump! You are one lucky scatterbrain!

Lucky?

You not only caught shrimp, you also hurled in cocktail sauce!

SHRIMP

BURPA

Fairest, my time is running out!

I'll get you a new watch, momma!

I mean I'm on my death bed!

After the bed dies, should I bury the spring and mattress?

Somebody, please! Pull the plug!

ARTHUR

Now that you've come back to Alabama, will you marry me?

I won't marry you, but I will sleep with you!

I'm greatly saddened by this!

Fairiest, I think your IQ just dipped to 65!

When Junkie went out of my life I started running! First across the county line, then across the state line! I kept running clear across the country!

ARE YOU SHANE?

I was in for lots of surprises! On my map at home it's four inches from Alabama to Texas! I discovered it was much further! And when I ran across different time zones, I never saw those little dotted lines! And when I got to the Texas panhandle, it wasn't even hot!

ZELIG

BEING THERE

RAIN MAN

I'M AN EXCELLENT RUNNER— EXCELLENT RUNNER!

People followed me! Obviously, they didn't have a life either!

Momma always said, "Life is like a rubber band — you get stretched to the max and suddenly you snap!"

Toward the end, a young man from Arkansas joined our group and asked for advice!

I don't know what to do!

Just keep on running!

Can we stop for fries?

Sure!

Can we stop for babes?

Why not? I need to stop running anyway! I think I hurt my foot! I wish we had a universal health care plan!

Hey, wait a minute! Say that again!
